„Die Ausflucht zur Konstruktion von „Repressalien“, dass Frauen auf Deutsche geschossen hätten, ist eine Lüge“

WOMAN PROTECTS A VILLAGE FROM UHLANS

The Germans are taking advantage of the fact that numbers of Belgians have been transferred to the fighting centres, and parties of Uhlans have been riding through the country firing and rifling wherever possible. The woman shown in our picture resides in a village ten miles east of Brussels; she saw a party of Uhlans riding down the village street in the direction of her house and immediately fired a rifle at the marauding soldiers. The sound of the rifle shots caused the Uhlans to retire in great haste from that particular village.

Abb. 43. Eine gestellte Szene zur Kennzeichnung der Gesinnung und des Geschmacks der breiten Massen, an die man sich mit solchen Bildern wendet. Die mit Empörung bestrittene Beteiligung von Frauen an Angriffen aus dem Hinterhalt wird ohne weiteres angenommen und verherrlicht, wenn man unter sich ist. — Hier nach "The Sphere" vom 22.
