Section 10

The first part of the report is devoted to a description of the general conditions of the country, and to a statement of the results of the various expeditions which have been made since the first discovery of the gold fields. It is then divided into two parts, the first of which is devoted to a description of the gold fields, and the second to a statement of the results of the various expeditions which have been made since the first discovery of the gold fields.

The second part of the report is devoted to a description of the gold fields, and to a statement of the results of the various expeditions which have been made since the first discovery of the gold fields. It is then divided into two parts, the first of which is devoted to a description of the gold fields, and the second to a statement of the results of the various expeditions which have been made since the first discovery of the gold fields.
